Welcome to the Guides Section

This section is dedicated to helpful guides and resources for using and contributing to the TransIRC community and wiki.

Getting Started

If you're new here, a great place to start is our contribution guide, which explains how to edit and add content to the wiki:

- How to Contribute to the Wiki

Want to Help?

If you'd like to write a new guide or improve existing ones, check out the contribution guide linked above. Your knowledge and experience can help make this space better for everyone!
